Beginner - (Beg) Riders who are just starting out. These are the most entry level classes available.

Novice - (Nov) Riders who have not received a ticket to an Amateur National but are not beginners. These classes are faster than beginner classes but are not a top 15 finisher at the Age class level.

Age - Riders who are more skilled and race often. These classes are the most competitive classes available.

Racing Age - Riders Age as of Jan 1, 2026

With multiple class options for every rider we recommend the following steps to determine which classes you are eligible for.

First - Go to the classes that suit your bike size for starters

Second - Choose the appropriate skill level. This should be thought of as your **FIRST CLASS**

Third - Choose the "Open" Class for your skill level. This should be thought of as your **SECOND CLASS**

Fourth - Choose the "Open" Class that has your skill and either a more entry level or a more competitive class than yours

Know that Nov class riders have the option to race up or down in the **THIRD/FOURTH CLASS**
